## VT Series

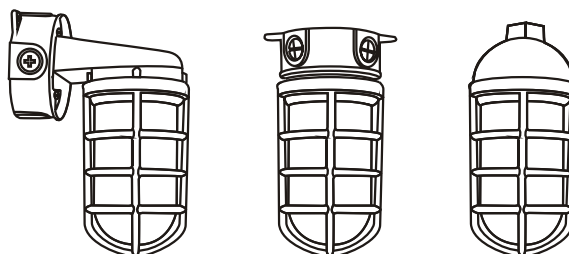

This rugged vapor-proof LED light is built to last. With industrial-grade rubber gaskets and automobile grade aluminum, this LED light is a beacon against Mother Nature. With a COB LED inside, it provides performance lighting while utilizing very little power. With a die-cast guard on the outside of the glass. It protects the high power LED. This fixture can be used in warehouse, docks, restaurant, or any outdoor application.

Optional Kelvin color\* with adder.

### Dimensions
